Horticulture Supported Internships

What is a Supported Internship?

Aimed at those aged 18-24 this is a great opportunity for young people to develop their gardening skills in a friendly environment, whilst taking their first steps into the world of employment.

Why choose us?

Our free internships offer a mix of classroom based education, work experience with job coaching individually tailored to each student. Includes 3 days of work placements and 1 day of classroom work each week.

Special Thanks to John Lyon's Charity whose funding and support have enabled Harington to establish this course offer

Are you eligible?

- Are you interested in real work experience to get ready for a paid job?
- Are you aged 18-24 with SEND?
- Do you have a current EHCP?
- Have you got a Horticulture Entry Level 3 or above?
- Are you able to learn to travel to placements independently?
- Are you available to undertake an internship programme?

Interested?
